Mr. Richard Beckstead
Chemical Lime Company
P.O. Box 537
Grantsville, UT 84029

Dear Mr. Beckstead:

On August 4, 1997, you received a Notice of Noncompliance from this office for failure to file a Plan of Operations for the construction of an access road and the establishment of a stockpile area on millsites in T. 1 S., R. 7 W., Section 25. Chemical Lime Company (CLC) had also placed "No Trespassing" signs on Public Lands, giving the impression that these lands are privately owned. We have assigned your Plan of Operations as case file serial number U-75735. Please refer to this number for any future correspondence regarding your Plan of Operations.

In our Notice of Noncompliance, you were required to cease operations on the subject lands immediately, and submit a Plan of Operations within 30 days of receipt of our letter. You were also required to remove the "No Trespassing" signs from the area. A follow-up inspection of the area on August 21, 1997 revealed that the "No Trespassing" signs had not been taken down as requested. Please have these signs removed immediately.

On August 25, 1997, you requested a 30 day extension to file the Plan of Operations and to allow time for CLC to come into compliance with Federal regulations at 43 CFR 3809. Your request for a 30 day extension is hereby granted.

If you have any questions, or require additional information, please feel free to contact Michael Ford of my staff at (801) 977-4360.

Sincerely,

A handwritten signature in black ink that reads "Michael Ford". The signature is written in a cursive style with a large, looped "M" and a stylized "F".
